Conditions for Scholarship Award

The Atlanta Area Chapter will award up to five scholarships of no more than \$1,000 per scholarship. The Chapter Scholarship Panel will consider costs for each selected applicant's upcoming classes to maximize the scholarship award; however, the award may be structured to cover full class amounts with no residual award for partial class costs.

Scholarships may be applied only to Appraisal Institute courses that are offered by the Atlanta Area Chapter Appraisal Institute and that are provided to qualify an individual for the MAI, SRA, AI-GRS, or AI-RRS designation. If the designation and qualifying courses are not currently offered by the Atlanta Area Chapter, the scholarship recipient may apply the scholarship funds to other AI Chapter and AI National sponsored courses, offered in another market. Scholarships may be applied to selected Atlanta Area Chapter sponsored continuing education offerings, approved by the Scholarship Panel.

Scholarship money will be paid directly to the education provider. Scholarships may also be applied toward designation application fees and the "General Demonstration Report - Capstone Program." Here is a list of the various fees: <https://www.appraisalinstitute.org/why-join/pursue-a-designation/fees-for-candidates>

Scholarship awards must be used within the 12 months following its award date.

Only one scholarship may be awarded to an individual in any one award period.

Award recipients must submit either a course registration or written correspondence to the Chapter Executive Director stating his/her intention to attend the course or continuing education, no later than 30 days before the start date of the intended course or seminar, for approval of use for scholarship funds.

The deadline to submit the application is 3/31/24. The scholarships will be awarded no more than 30 days later. Persons awarded the scholarship will be asked to attend a specified Chapter meeting for the formal presentation announcement.

A photograph of the award recipient may be requested for publicity and promotional uses in the Chapter newsletter or AI National correspondence. Applicant will be notified by phone or email if a scholarship has or has not been awarded.
